

Sevart Trucking Service

James A. Sevart, Sr.

5809 E 31st Street

Kansas City, MO 64129

May 30, 2008

I'm Jim Sevart. I am an independent owner operator leased to MNT out of Topeka, KS. I have been in the Trucking Industry 48 years. I have been and owner operator 35 of those years. I provide most of my own maintenance so keeping it functional and cost effective is important. I lucked onto a friend in late June of 2007 who introduced me to Fuel Magic. So, I tried it hoping to help fray the costs due to the fuel hike. It has been successful. Fuel Magic has helped the performance of my vehicle by adding additional power. With Fuel Magic I've used fewer fuel filters and maintained better fuel mileage. Before using Fuel Magic I averaged 5.3 to 5.7 miles to the gallon. After Fuel Magic I averaged 6.0 to 6.3 miles per gallon. I currently maintain 110,000 miles per year, which saves \$5200.00 annually due to this product. I am very pleased with this products performance and will continue to use Fuel Magic due to this superior product.

Jim Sevart
